Common Formative Assessment: A Toolkit for Professional Learning Communities at Work

By Kim Bailey, Chris Jakicic

Solution Tree, United Kingdom, 2011. Paperback. Book Condition: New. 277 x 213 mm. Language: English . Brand New Book. In Common Formative Assessment: A Toolkit for Professional Learning Communities at Work, authors Kim Bailey and Chris Jakicic argue that real improvement in student achievement can begin when teams tackle the task of writing and implementing common formative assessments. They assert that teams that are engaged in designing, using, and responding to common formative assessments become more knowledgeable about their standards, more assessment literate, and able to develop more strategies for helping all students learn. The authors use a comfortable, conversational tone to describe how to create and incorporate common formative assessments into the practices of a PLC to monitor and enhance student learning. They provide numerous accessible tools and templates for teams to adjust to suit their own needs and offer protocols with clearly listed steps educators can take to facilitate the formative assessment process. Chapter 1 provides an overview of the purpose, structure, and workings of a professional learning community. The authors provide an explanation of how common formative assessments fit into the work of teams. Chapter 2 defines common formative assessments and explains where they along with other...
