Brand New Book ***** Print on Demand *****.Purchase one of 1st World Library s Classic Books and help support our free internet library of downloadable eBooks. Visit us online at - - In introducing M. Barbusse s most important book to a public already familiar with Under Fire, it seems well to point out the relation of the author s philosophy to his own time, and the kinship of his art to that of certain other contemporary French and English novelists. L Enfer has been more widely read and discussed in France than any other realistic study since the days of Zola. The French sales of the volume, in 1917 alone, exceeded a hundred thousand copies, a popularity all the more remarkable from the fact that its appeal is based as much on its philosophical substance as on the story which it tells.
