She senses it, but doesn't understand. Being reclusive, with a name not entirely her own, she likes to feel invisible, but something is changing her and her situation. A victim at seventeen Ariel is now an unsung hero hidden for her protection. No one knows where she is or her real identity except her WITSEC advocate. As a writer in her early twenties living in a country cottage, Ariel devises an experiment to boost her writing and ease her perilously low funds. It's risky, but everything in Ariels life is risky. Ariels encounters bring back memories of how her ordeal began, as she learns to deal with the demons within. Her first real love is Jerry, the eighteen year old who cuts her grass. Stuck at seventeen emotionally Ariel experiences the pleasant side of her previous horrors, and begins to trust love again. But Jerry will be going off to college soon, planning to be a lawyer like his dad. Ariel knows her heart will be the one most susceptible to breaking. A puppy leads trouble into her life, bringing Danny, a local deputy, to her door. Drawn to her he appoints himself guardian, soon learning there's more to her than imagined. But Danny harbors regret. His hard lesson brings out his true strength when he learns of Ariels plight, her risky trysts and her love for another. He must let her go to keep her safe, allowing her to heal herself in her own way, always there to look out for her . . . always loving her. A powerful suspense, filled with romance and intrigue; what discovery doesn't separate a broken promise...
