Shaw in Boston, - a school founded by Mrs. Shaw, the daughter of the great naturalist, Professor Louis Agassiz, for the purpose of developing methods of nature study that will secure to the young student the best preparation for holding through life intimate converse with nature. The endless source of happiness which this gives is a heritage that Mrs. Shaw has believed will come always to all students who are introduced to the study of the earth by the natural method. The author s educational views were so fully in accord with her own, that she gave him perfect liberty in laying out the work in the Physical...
