Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

State University of New York Press, United States, 2015. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. In the Mok op ya (also known as the Yogav si ha), an eleventh-century Sanskrit poetic text, the great Vedic philosopher Vasi ha counsels his young protege Lord R ma about the ways of the world through sixty-four stories designed to bring R ma from ignorance to wisdom. Much beloved, this work reflects the philosophy of Kashmir aivism. Precisely because all worldly pursuits are dreamlike and fiction-like, the human soul must first come to an experience of non-dualistic, mind-only metaphysics, and after attaining this wisdom, promote moral activism. Engaged Emancipation is a wide-ranging consideration of this work and the philosophical and spiritual questions it addresses by philosophers, Sanskritists, and scholars of religion, literature, and science. Contributors allow readers to walk with R ma as his melancholy and angst transform into connectivity, peace, and spiritual equipoise.
