Anabolic Steroid Abuse

By National Institute on Drug Abuse

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.he incidence and prevalence of anabolic steroid abuse, especially by adolescents, carries with it significant social as well as health-risk concerns. There are a number of questions regarding this misuse that need to be addressed. Do results from well-controlled studies support the efficacy of anabolic steroids in increasing muscle mass and augmenting performance? What information is available on the health consequences of misuse of anabolic steroids at suprapharmacological doses over extended periods of time? Do steroids have the potential for development of tolerance and dependence, and do they meet the criteria for abuse potential as defined in strict pharmacological terms? Are adolescents at particular risk? These are among the questions that prompted the National Institute on Drug Abuse to undertake this review on anabolic steroid abuse in an effort to understand the extent and scope of the problem and to identify research priorities in this area. The contents of this monograph encompass a wide range of topics beginning with the important question of whether anabolic steroids possess abuse potential and whether they play a role in the abuse...
