GOSPEL IN ACTION: A NEW EVANGELIZATION DAY BY DAY

New City Press. Paperback. Book Condition: new. BRAND NEW, Gospel in Action: A New Evangelization Day by Day, Gary Brandl, Thomas Ess, How do people know you are a Christian? We are evangelized by the living example of others. Gospel in Action tells the stories of ordinary people making choices in the course of ordinary events - bartending, teaching at a university, working as a nurse, as a priest in a parish, among school friends, in competitive business environments, at the neighborhood block party. But, since these people make choices based on their desire to put the gospel into action, their choices have unique effects on those around them. The result is a colorful mosaic of the communion of saints - of both timeless and timely examples of how small choices rooted in God-Love evangelize the world around us. Gospel in Action helps to bridge the gap that so often exists between the Gospel message and our daily lives. By providing short and compelling personal stories from real men and women, young and old, we see what it looks like when the Gospel is applied to real life and lived out. This personal witness is key, because only when others see the Gospel proclaimed through the word and witness of our lives does it achieve its full impact and help draw others into the life of the Church. The personal stories that comprise Gospel in Action are surrounded by short helpful teachings from Benedict XVI, John Paul II and Paul VI, among others, that remind us the Gospel must be put into practice and not simply remain an untried ideal. The unique nature of the book sets it apart from others and readers will find the personal stories helpful as they try more fully to live out the Gospel in...
