

The Curious Gardener's Almanac: Centuries of Practical Garden Wisdom

By Niall Edworthy

Transworld Publishers Ltd. Hardback. Book Condition: new. BRAND NEW, The Curious Gardener's Almanac: Centuries of Practical Garden Wisdom, Niall Edworthy, The Curious Gardener's Almanac contains over 1000 entries of remarkable information about flowers, vegetables, fruits, trees, herbs, insects, birds, water, soil, tools, composts, climate, recipes, gardens and gardeners, myths, superstitions, biodynamics. In short it is a collection as profuse and variegated as gardening itself. Woven into this wealth of knowledge are famous quotations, anecdotes, traditional sayings, lines of verse, and words of rural wisdom. The spirit and focus of the Almanac is British but the wider picture is international as so much of our gardens originated from overseas. Dry or dull information has no place in the almanac and its presentation is as appealing as the content.

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dr. Barney Robel Jr.
