Angela: A Harvest Series Prequel

By Megan McCooley

Createspace, United States, 2014. Paperback. Book Condition: New. Judy Davison (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.After her father fails to pick her up from the library, Angela sets out to walk home. A walk she has made hundreds of times in her young life. Following the path along the river, gazing up at the big beautiful sky, Angela is unaware of the danger that lurks just beyond the river bend. Never had she imagined that the place she loves the most, would turn into the place where her life would end. ****Disclaimer**** If you have already read Harvest Moon, you know how Angela dies; therefore, please proceed with caution as you read this short prequel from Angela s point of view, as it contains a very emotional, dramatic depiction of her rape and murder.

Reviews

This ebook is definitely not simple to begin on reading but really enjoyable to read through. This really is for all who statte that there had not been a worth reading. You may like how the author publish this ebook.

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.
