Brand New Book ***** Print on Demand *****.Excerpt from History of the City of Troy: From the Expulsion of the Mohegan Indians to the Present Centennial Year of the Independence of the United States of America, 1876 The locality of Troy, from the time when the first Hollander erected his humble cabin upon the site of the city until the present, has been diversified by many incidents and individuals, peculiar in circumstance and action. The lights and shades of its life fall upon the pages of history with an enrichment of coloring almost romantic in disposition, while the variety of their transitions, from grave to gay, from lively to severe, absorbs the attention and charms the mind. With an enthusiasm intensified by the inspiring elements of this field of research, the author patiently sought for unpublished documents and rare manuscripts relating to its early history, which by transcription gave the material requisite for the basis of the proposed work. As the compiler reviews the many explorations of the sources whence he obtained his important information, he is impressed with a deeper sense of the significance of the maxim, perseverance conquers all things. Emboldened by repeated successes, he was often aware of subjecting persons to many inconveniences in overlooking their private papers, and in permitting him the privilege of their time and conversation. Conscious that this was no ordinary undertaking, and that the opportunity of obtaining access to these repositories might never occur again to another compiler, he made complete and entire copies of all the papers and records proffered him. Up in dark garrets, in unused closets, in stores, offices, residences, in public and private libraries, among antiquarians and keepers of scrap-books, here, there,...
