AN INTRODUCTION TO THE ECONOMICS OF INFORMATION

Oxford University Press Mrz 2001, 2001. Taschenbuch. Book Condition: Neu. 234x156x20 mm. Neuware - In this revised second edition, An Introduction to the Economics of Information covers the consequences for the character and efficiency of the interaction between individuals and organizations when one party has more or better information on some aspect of the relationship. This is the condition of asymmetric information, under which the information gap will be exploited if, by doing so, the better-informed party can achieve some...
