Brand New Book ***** Print on Demand *****.Aria Breaniann was in the middle of another busy 36 hour shift when the storm hit the hospital. Well not a storm exactly, what blew into her hospital wasn't weather related. More the van drives by and dumps a bloody mess in the doorway kind of thing. A very big, very full of holes, most likely human bloody mess. That's how Aria met Gareth, with him looking at her with one almost swollen shut eye and gasping blood out of his mouth and nose and her screaming I NEED A STRETCHER AND A CRASH CART STAT! PREP SURGERY!! Gareth Fionnlagh is head of investigations at the city's most well-known as well as secretive company, Genie Strategique, rumored to be run by ghosts and one of the scariest women Aria has ever seen. What she doesn't know is that the reason why she is so busy with bullet wounds and surgery (ironically only when she is on shift) is because Gareth spends all his free time, and the free time of some of his team protecting her. Literally. Every. Single. Day. He's fiercely protective of her and loves her to distraction, but she is driving him nuts with her utter lack of concern for her safety. She's a medical engineering genius who has several products patented which would leapfrog the medical field decades forward instantly. If only she could find a sponsor willing to fund prototypes to test and manufacture- at cost and...
