When Cynthia Holt takes a job at a former sanitarium, now operating as an assisted living center, she instantly discovers something more is occurring than simply providing the elderly with housing and care. Something very strange is going on behind the locked door of Room 913! After she is warned to stay away from the room and to not discuss it or the occupant with her co-workers, she is even more intrigued - and suspicious! Letting her curious nature guide her, she immediately begins asking questions. When she finds that Room 913 has been closed off; locked and sealed for many years, her curiosity turns to concern. Though rumors abound, no one seems inclined to talk about it. Not giving up so easily, Cynthia persists in her pursuit until she finds out the truth - or does she? Excellent book! 5 Stars! I thought I d figured it out, and then. Truly great story - unexpected ending!.
