Xulon Press, United States, 2008. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.DEBUNKING THE EVIDENCE BEHIND THE EVOLUTIONIST WORLDVIEW: Throughout the last half of the twentieth century, and now into the new millennium, the public has been fed a steady diet of anti-Biblical propaganda by an increasingly determined cadre of evolutionist scientists, educators and media outlets. The result of this concerted effort has been a shifting of public consciousness away from Biblical truth and into a new paradigm in which belief in some form of Darwinian evolution has become a Litmus test of acceptability in our society. But is this paradigm shift founded on legitimate scientific evidence? The answer to this question is a resounding NO. Over the last several decades, scientists in widely varied disciplines have refuted much of the evidence behind today's various competing evolution theories. The time has finally come to expose evolution for what it is: delusion. Kenneth Lawrence was born in British Columbia, Canada, where he currently resides. He has had an intense interest in science most of his life. A believer in Darwinian evolution for many years, Ken became a Christian at the age of twenty-three, but had difficulty accepting a straightforward reading of the Bible's account of origins for many years. In his late forties, Ken began to seriously investigate the scientific claims of evolution theory. Nearly a decade of personal research has resulted in an invigorated faith in the God of the Bible and in the writing of this book.
