Reviews

Definitely among the best book I have possibly read. I have study and i am sure that i will going to go through once more once more later on. Your lifestyle span is going to be convert when you full looking at this publication.

(Prof. Damon Kautzer III)

VACCINES EXPLAINED: THE WHOLISTIC VET'S GUIDE TO VACCINATING YOUR DOG

Laurie S. Coger, DVM, United States, 2012. Paperback. Book Condition: New. 201 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.I see a lot of dogs in my typical workday. Some sick, some healthy, many somewhere in between. I sometimes remember some details about them after their appointments, but there are a few dogs that are forever vividly etched in my memory. This is the case with Lucy, a 4 month old black Labrador mix adopted from a local rescue group. Lucy was my 9:15 appointment on an early fall Saturday morning, over eight years ago. It was a beautiful day, and I was looking forward to meeting a friend for lunch and then spending some time with my own dogs. Lucy had been with her owners a few weeks, and was a typical happy, active puppy. She had received her first vaccination (DAPP) four weeks ago while with her foster family. My physical examination revealed no abnormalities - she appeared completely healthy. So I administered her second DAPP vaccination, which happened to be exactly the same brand and formulation she had received a month ago. Before I could withdraw the needle from her skin, it was apparent that something was very wrong. Lucy stiffened, and then collapsed. I immediately began treatment for this vaccine reaction, and she responded initially. She had her first seizure half an hour later. Over the course of the morning, her seizures progressed, and she stopped responding to the intravenous fluids and drugs we administered. She died at 2:16 PM, just over five hours after she bounced into the hospital, a bright, happy puppy with a tennis ball in her mouth. My purpose in writing this book is to provide a straightforward explanation of what a vaccine is, how it...
