It first made its appearance on Sunday evening last, after sunset, when, as the clouds cleared away, it was suddenly discovered shining as bright as a star of the first magnitude, and almost rivalling the magnificent comet of 1858 in brilliancy and development of tail, whilst it far surpassed it in the diameter of nucleus. An opportunity which perhaps may never occur again is thus allowed for physicists to become acquainted with the intimate constitution of these mysterious visitors. On the occasion of the last appearance of so brilliant an object, in 1858, philosophers could do little more than examine it through their telescopes, and wonder, and speculate on its constitution. Since then, however, science has made...

### Reviews

*Unquestionably, this is the best operate by any article writer. It is really basic but surprises from the 50 % of the ebook. I realized this ebook from my i and dad suggested this ebook to discover.*
