RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 190 pages. Original publisher: Washington, D. C. : U. S. Dept. of Justice, National Criminal Justice Reference Service distributor, 2002. OCLC Number: (OCoLC)53916290 Subject: Police-community relations -- United States -- States. Excerpt: . . . The research plan was to receive at least one survey response from television and newspaper personnel in every MSA where a police department was surveyed. The ( N 420 ) is number of sampled media organizations higher than the number of police ( N 239 ) organizations because we sampled both television and newspaper organizations. is However, the number of sampled media organizations not three times as high ( 1 newspaper, television ) because there may have been more than one law enforcement 2 agency that fits the police sampling criteria in a media organizations marketing area ( for of example, Dallas media organizations would have relationships with at least three the local police departments included the sample--Dallas, Fort Worth, and Arlington ). in The media surveys covered four specific areas: the police sources relied on for ( 1 ) ( 2 ) crime information, their perceptions of their relationship with the police,...
