Reviews

Extremely helpful to all type of individuals. It really is basic but excitement inside the 50 % of the pdf. Its been designed in an remarkably basic way and is particularly only right after i finished reading through this book in which basically transformed me, change the way i believe.

Createspace, United States, 2015. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.After eight years finally a new poetry book from award-winning artist Chris Wanten, teacher for Creative Writing, member of the International Writers and Artists Association (IAW) and founder of poets online, one of the first global poetry networks on the internet. The new poems are artistic descriptions of significant little moments, insignificant bigger emotions, fears and feelings. The poetry is uniquely hidden in floating words that -lined up like pearls on a string- allow you to gain an insight into a world of love, passion and affection from the beginning of a relationship to its end. To read it means to catch the moment only to feel it slip through your fingers like desert sand.
