Dimensions: 8.5in. x 5.5in. x 0.9in.GOD IS! why evolution isnt demonstrates how the nature character of GOD is the death knell to the modern mythology of evolution, as it is to all human mythologies. There is much confusion among Christians and the general public regarding creation and evolution and what each implies about the nature of GOD. This book by A. Arthur Pinno seeks to bring Biblical clarity to many of the questions that people have in this area. Does the universe testify to the glory of GOD Is GODs signature found in every cell GOD vs. Nothing: Where do you think everything came from Are humans mutated apes How does dinosaur blood reveal a young earth How does the relativity of time impact the age of the universe Is evolution a massive worldwide conspiracy of scientists Is theistic evolution a bridge between Christianity and science What are the basic assumptions of evolution What are the fruits of the evolutionary tree Were Adam and Eve real people What did JESUS believe about creation and the flood Who is GOD and how can anyone actually know Him Could a GOD of love create...

## Reviews

I actually started looking over this publication. It really is rally interesting through studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.
